Worksheet 42A ERROR ANALYSIS (Lower level)

- A. Clothes can tell a lot about a person, but we can't judge a person by the clothes **he/she wears**. In my country, a lot of **people judge** a person by what name brand of clothes **he/she wears**. A lot of times, **people talk** about what clothes their friends **wear** or **say** some **people wear** inappropriate clothes to high school.
- B. Now I'm in California where it is warm all through the year and where there **are** many beautiful **beaches**. When you take a walk on the beach, you see people wearing baggy clothes—at least two **sizes** larger than what they should be wearing. **These** people are surfers. Personally, I believe that the reason surfers **wear** baggy clothes **is** they always **have** wetsuits in order to be ready for waves.
- C. We have some important **decisions** to make in our lives. We can't run away from them and we **need** to choose what is best for us. The three most important decisions for me are where to study, choice of **job**, and who to marry. All of them **are** important, but perhaps marriage is the most important **one**. We **have** to choose whether we will marry or not. If we **don't** marry, it **means** that we will not have a family—including our own children. The decision about who we'll marry **is** difficult to make also. In **conclusion**, we can't predict what will happen and how our lives will be influenced by those **decisions**, but we **have** to decide even if it **turns** out bad.
- D. There **are** a lot of important **things** in a lifetime. The most important thing for a young **person** is to get a good **education**. A good education **helps** you to get a good job later on. You **need** a good job to earn enough money to live comfortably. It is not as important to have a really high-paying job as it is to be happy in your **choice** of occupation. Also, everyone **needs** to settle down by having a **family** because it is important in order for civilization to continue. However, being happy with oneself is truly the most important thing in life.

Worksheet 42B ERROR ANALYSIS (Higher level)

- A. I **have** lived in Poland most of my life, and there is a **place** that I **remember** very well. It is a short, dark **street** with **buildings** on both **sides**. The buildings are very tall—at least four **floors**. There **is** an entrance but no exit from these **streets**. The windows **look** dirty, but shadow and window coverings **make** them look dark. Most people keep them clean and nice. I **think** about these **places** often because I spent most of my **life** there with many good **friends**.
- B. Explorers **have** lived in almost all times and in almost every **country**. There **are** many interesting books written and lots of adventure **movies** made about them. We can see that an explorer's life is not just interesting, but it is also dangerous. In my opinion, explorers should be strong and brave, smart and experienced, and also **have** a sense of adventure.
- C. All the **governments** of democratic nations **make** laws according to the necessity of the social life of the country at the **moment** the law is enacted. After many **years**, some of **those** laws **become** inadequate, and there **is** an attempt by **citizens** to change them. This is what is happening in the United States now regarding gun control. In my opinion, a law that **controls** guns is necessary because it **reduces** slaughters, gun accidents, and violence in general.
- D. Dreams—**this** interesting topic **has** been on people's minds for a long time. Everybody **has** the ability to dream in one way or another. Some **people** even **say** that dreaming is a sign that we are sleeping the perfect sleep. Throughout time, it **has** always been a top **priority** to figure out the nature of dreams. Although our knowledge of dreams **is** still in a primitive stage, we **have** already managed to divide them into **categories**. The majority of people will agree that nightmares, daydreams, and visions are the most common types of **dreams**.

“Some of These Days”

Some of these days
You 'll miss me baby
Some of these days
You be so lonely
You 'll miss my kissing
You 'll miss my hugging
You 'll miss me baby
When I'm far away
Well, I feel so lonely
For you only
Ah, but honey,
You had your way.
When you leave,
I know it 's gonna grieve me
You 're gonna miss me baby
When I'm gone.

Worksheet 26 SONG (Time Clauses)

“When Johnny Comes Marching Home”

When Johnny comes marching home again, Hurrah! Hurrah!
We 'll give him a hearty welcome then, Hurrah! Hurrah!
The men will cheer, the boys will shout, the ladies
they 'll all turn out
And we 'll all feel gay when Johnny comes marching home.

Worksheet 27A SONG (Future Progressive & Time Clauses)

“She’ll Be Comin’ Round the Mountain”

She’ll be coming round the mountain when she comes.
She’ll be coming round the mountain when she comes.
She’ll be coming round the mountain,
She’ll be coming round the mountain,
She’ll be coming round the mountain when she comes.

She’ll be driving six white horses when she comes.
She’ll be driving six white horses when she comes.
She’ll be driving six white horses,
She’ll be driving six white horses,
She’ll be driving six white horses when she comes.

Oh, we’ll all go out to meet her when she comes.
Oh, we’ll all go out to meet her when she comes.
Oh, we’ll all go out to meet her,
Oh, we’ll all go out to meet her,
Oh, we’ll all go out to meet her when she comes.

Worksheet 47A Songs

“He Stopped Loving Her Today”

He said, “I’ll love **you** ‘till **I** die.”
She told **him**, “**You**’ll forget in time.”
As the years went slowly by,
She still preyed upon **his** mind.

He kept **her** picture on **his** wall
And went half crazy now and then;
But **he** still loved **her** through it all,
Hoping **she**’d come back again.

Kept some letters by **his** bed,
Dated nineteen-sixty-two;
He had underlined in red
Every single “**I** love **you**.”

I went to see **him** just today.
Oh but **I** didn’t see no tears.
All dressed up to go ’way.
First time **I**’d seen **him** smile in years.

REFRAIN

He stopped loving **her** today.
They placed a wreath upon **his** door.
And soon **they**’ll carry **him** away,
He stopped loving **her** today.

You know, **she** came to see **him** one last
time,
Oh, and **we** all wondered if **she** would.
And **it** kept running through **my** mind
This time, **he**’s over **her** for good.

Worksheet 47B SONGS

“The Erie Canal”

I've got a mule, **her** name is Sal,
Fifteen miles on the Erie Canal.
She's a good ol' worker and a good ol' pal,
Fifteen miles on the Erie Canal.

We've hauled some barges in our day,
Filled with lumber, coal and hay.
And **we** know every inch of the way
From Albany to Buffalo.

REFRAIN

Low bridge, everybody down!
Low bridge, for **we're** coming to a town!
And **you'll** always know **your** neighbor,
You'll always know **your** pal,
If **you've** ever navigated on the Erie Canal.

We better get along on our way, ol' gal,
Fifteen miles on the Erie Canal.
'Cause **you** bet **your** life
I'd never part with Sal,
Fifteen miles on the Erie Canal.

Get up there, mule, here comes a lock
We'll make Rome about six o'clock,
One more trip and back **we'll** go,
Right back home to Buffalo.

Worksheet 47B (Continued) SONGS

“Red River Valley”

From this valley they say you are going,
We will miss **your** bright eyes and sweet smile,
For **they** say **you** are taking the sunshine,
That brightens **our** pathway awhile.

REFRAIN

Come and sit by **my** side if **you** love me,
Do not hasten to bid me adieu,
But remember the Red River Valley
And the girl that has loved **you** so true.

Won't **you** think of the valley **you're** leaving?
Oh, how lonely, how sad **it** will be,
Oh think of the fond heart **you're** breaking,
And the grief **you** are causing **me**.

REFRAIN

From this valley **they** say **you** are going,
When **you** go, may **your** darling go, too?
Would **you** leave **her** behind unprotected?
When **she** loves no other but **you**?

REFRAIN

I have promised **you**, darling, that never
Will a word from **my** lips cause **you** pain;
And **my** life, **it** will be **yours** forever
If **you** only will love **me** again.

Worksheet 94 SONG

“Amie”

I can see why you think you belong to me;
I never tried to make you think or let you see
One thing for yourself.
But now you're off with someone else and I'm alone.
You see, I thought that I might keep you for my own.

REPEAT

Amie, what 'choo wanna do?
I think I could stay with you
For awhile, maybe longer, if I do.

Don't you think the time was right for us to find
All them things we thought weren't proper
Could be right in time.
And, can you see
Which way we should turn together or alone.
I can't never tell what's right or what is wrong.
(It'd take too long to see)

REPEAT

Well, now it's come to what you want; you've had your way.
And all the things you thought before just faded into gray.
And can you see
A-That I don't know if it's you or if it's me.
If it's one of us, I'm sure we both will see
(Oh, won't you look at me and tell me)

REPEAT

I just keep falling in and out of love with you,
Falling in and out of love with you,
Don't know what I'm gonna do,
I keep falling in and out of love with you.
